WELCOME TO

RODCON

Welcome to the 5th Annual Rod Library Mini Comic Con! The event is free and open to the public. Our goal is to connect the UNI community to the public through the celebration of comics, heroes, and the arts. We will be hosting a Tweetwall again this year! Use #RodCon2018 to be a part of the conversation.

Several UNI departments and community organizations have collaborated with Rod Library to make RodCon possible. Many thanks to the UNI Departments of Communication Studies, Sociology, Anthropology, and Criminology, Theater Arts, Education, Art, and Chemistry, as well as UNI STEM, UNI School of Applied Human Sciences, UNI School of Music, IT Digital Media Hub, UNI Rod Library, UNI Museum and Waterloo Public Library for helping with this event.

By participating in RodCon, all participants agree to allow the Rod Library to use their images for promotional purposes. To see the photos of the event and the photo-booth, go to www.flickr.com/photos/unirodlibrary.

Rod Library is always free and open to the public. You can stop by the Library Services Desk any time and sign up for a free visitor card. The card will grant you in-house access to any of the library databases, and the ability to check out materials. You need a photo ID to apply.
